**Zethcon Adds MKM Distribution Services
to Its Growing Customer Base**

August 17, 2009 (Indianapolis, IN) Zethcon Corporation, developer of Synapse, a leading Warehouse Management System for third party warehouse operations, is pleased to announce the addition of MKM Logistics to its growing customer base. MKM Distribution Services is a provider of third party fulfillment, logistics and supply chain needs. MKM Distribution Services celebrated 27 years in business in 2008. Founded by its owner and CEO Bill Hurley, MKM began trucking operations in 1981 delivering to 26 retail stores throughout the east coast. MKM has a simple and clear vision: to be a partner dedicated to all of its customers' supply chain needs.

Jerry Fields, MKM's President, said the following about Zethcon and Synapse: "We evaluated many systems and are convinced that the Zethcon solution is the best for our customer's needs."

ABOUT MKM DISTRIBUTION SERVICES

MKM has nearly one million square feet of warehousing space located in Indianapolis and throughout the nation. MKM's vision is to revolutionize the supply chain solutions industry by ensuring that customer achieve results they expect from their supply chain technology investments. That is accomplished through the broadest suite of transportation, productivity, and distribution management capabilities, enhanced with action oriented components for real-time performance.
